

THE WOODLANDS HIGH SCHOOL BAND BOOSTERS

August 2008

To Our Business Neighbors:

No matter how you measure it The Woodlands High School Band is a symbol of excellence in our hometown. From national rankings, to local state and regional competitions as well as outstanding academic performance this group of students has achieved it all.

While students put in extra long hours of practice, fulfill their demanding performance schedule and keep up with class assignments, we ask that you consider making a tax deductible contribution.

Band parents cover the individual expenses of their children for travel and other items, such as uniforms. However, there are additional expenses that must be met to keep our commitment to excellence. These include expert clinicians and other instructional programs.

The Woodlands High School Band Boosters is a 501(c) (3) organization dedicated to supporting its high standards. The Woodlands High School band offers many benefits to the community. It entertains at various sporting and community events, it promotes education in music and it pulls up the next generation of musicians through outreach and recruitment at the junior high level.

We have a brief presentation that explains sponsorship levels and recognition of sponsors. It can be e-mailed to you or we can schedule a short meeting to go over the presentation. We welcome the opportunity to discuss how you can become involved.

Sincerely,
